Dear Community Donor:

Alpha Kappa Alpha Sorority, Incorporated Kappa Omega Omega Chapter invites you to our first-ever Community Donor Orientation Workshop:

Saturday, February 12, 2011 - 10:30 a.m.

Bakersfield Senior Adult Center - 530 4th Street

Since 1979, Kappa Omega Omega Chapter has partnered with the local high school district, elected officials, and you – Community Donors – to support Kern County African American students seeking to further their education. These students are leaders on their school campus, at their church, and in their community but often go unrecognized. However, as Community Donors and Alpha Kappa Alpha have worked together, more than 100 of these deserving students have been nominated for scholarships during the last six years alone. With your help, we are excited to again offer this kind of support to the Class of 2011.

At the workshop, we look forward to presenting our application process, opportunities for the community to donate and to discuss how we can best support your needs as a donor. Moreover, you will have an opportunity to communicate to us your desires regarding the selection of those high school students who you may have already identified to receive a scholarship from you or your organization. Finally, we encourage you to come to the meeting with a completed “Community Donor Scholarship Form” and check payable to Alpha Kappa Alpha Sorority if you would like for us to disburse funds on your behalf to your high school nominee. You may, if you so desire, forward your form and check by mail to our Chapter mailbox (P.O. Box 40092, Bakersfield, California 93389) no later than March 15, 2011 to insure that the funds have been received and fully processed.

Please R.S.V.P. by contacting Odella Johnson at 661-663-9014; you may leave your name and contact number on the answering machine.

In closing, we thank you for your continued support of our Graduate Awards Program and look forward to seeing you on Saturday, February 12th at 10:30 am.

Sincerely,

Odella Johnson, Co-Chairman
